

Homeworld Helensvale
Medical Centre
—where good health matters—

**HEALTHY PEOPLE.
SAFE WORKPLACES.
STRONGER BUSINESS.**

Partner with Homeworld Helensvale Medical Centre to reduce risk, protect your team and keep your business moving forward.

THE SMARTER WAY TO PROTECT YOUR BUSINESS

01 BEFORE THEY START Pre-employment Medicals

We assess each candidate to ensure they are physically fit and suitable for the role.

- ✓ Identify pre-existing conditions
- ✓ Reduce workplace injury risk
- ✓ Safer onboarding and role placement
- ✓ Lower workers' compensation costs

02 KEEP THEM WELL Health Checks & Workplace Health Audits

Proactive health checks catch issues early and ensure your team stays healthy, safe and productive.

- ✓ Musculoskeletal Screening
Can they lift, bend and reach safely?
- ✓ Audiometry & Spirometry
Protect hearing and lung health
- ✓ Drug & Alcohol Screening
Peace of mind for safety-critical roles
- ✓ Cardiovascular Assessment
On-site ECG & vitals
Referral for further testing if required

03 IF INJURY HAPPENS Injury Management & Return to Work

We support injured workers and manage the return to work process safely and effectively.

- ✓ Prompt treatment and care
- ✓ Return to work planning
- ✓ Ongoing support & monitoring
- ✓ Reduced downtime and claim costs

THE BUSINESS BENEFITS

Lower injury rates

Lower insurance premiums

Improved productivity & performance
